At the request of many people who are striving to put into practice the Ideal of Life contained in the “Message to the men of the New Earth,” I am making available for publication, as a supplement to the book Messages of Life, some insights and inspirations I have received in these last years in my intimate communion with the Lord.

May our Lord Jesus Christ and the Virgin Mary, our mother in the spirit, models of life for each one of us – lives of self-denial and identification with the Divine Will – together with all the souls who have lived out the self-denial in order to identify themselves with the Divine, assist us in our “pilgrimage” so that we may be able to remain faithful to the end.

Come to me

Caracas, Venezuela

March 27, 1963

My children, the moment is approaching, a terrible and decisive moment for humanity. Yes, it will be terrible, as it has not been since the beginning of creation. But what a beautiful ending! The victory is assured, but how many souls are lost and will be lost! because the confusion will also be terrible.

This is why my voice is raised in a cry of supplication: I need souls, transmitters of my LIGHT, to serve as beacons in the hour of darkness!

Little children, without me, you can do nothing. But I also tell you: without your collaboration, I can do nothing for you.

Come to me in this hour in which all your hopes are in danger of being shattered because everywhere, and in all the promises, you have been let down!

Come to me all you who have searched for a true way and have not found it! I am the only way that will lead you to the Father.

Come to me all you who have searched for the TRUTH and have not found it! I am the TRUTH that resides in the Father.

Come to me all you who have searched for LIFE and find

yourselves facing death! I am the true LIFE, and whoever comes to me will not know death.

I am who am, from the beginning to the end. No one came before me, nor will anyone come after me, because I am the eternal envoy of the Father, the expected one of all times, the God of Israel, who says now as He did then: I am at the door and am calling. Blessed are they who hear my voice and put my words into practice.¹

You will be left alone

Rome, Italy
September 20, 1963

My children,
listen to her...

Come to my Heart
to receive this Love
that is consuming me
(and I saw a flaming heart).

Come to drink
of what remains of this Fountain,
opened by you and for you
*(and I saw that from His side, full of light, there gushed forth,
as from a fountain, two streams: one of water and the other
of blood; the water looked like light and the blood like a living
fire).*

Because you will be left alone,
my children,
and you will be able to nourish yourselves
only with what you are able to receive now,
while there is still time.¹

The unmistakable sign
of my love

*Carrizal, Venezuela
January 7, 1987, 6:00 a.m.*

The hatred of the world
and of the worldly powers
is the unmistakable sign of my love
and your fidelity.

The world loves what is its own;
as long as you are hated by the world,
know that you are abiding in my love.

For the good of all

Carrizal, Venezuela

March 10, 1987

For the good of all
and for the sake of all,
leave everything and everyone,
and surrender yourself completely
to Me alone,
so that I may “do” for all
and be, for the sake of all,
ALL.

I am His “She”

San Diego de los Altos, Venezuela

December 3, 1989

I am His “She”
and the she of you all.

You keep me imprisoned
by your “knowledge.”

Liberate me,
so that I may liberate you.

This is why I have come
at this hour.

Live your “today”

Carrizal, Venezuela

July 13, 1991

Live your “today,”
and you will be with Me in Paradise.

My little flock,
do not worry about the past
and much less about the future.

Live your today intensely.
Strive to eradicate from yourselves
all egoism.

Follow Me in “her.”

Peace and love be with all and in each one.
Peace and love be with all and in each one.
Peace and love be with all and in each one.

Attention, Venezuelans!

*Río Chico, Venezuela
May 20, 1993*

Attention, Venezuelans!

Be conscious of what you are doing:

With the yardstick you use
to measure your “representative,”
you yourselves will be measured.

Leave the judgment to God.

Follow the example of David.*

«Let him who feels that he is free from sin
be the first to cast the stone.»

Do you have any evidence?

God has much more evidence against you.

*Cf. 1 Sam 24:1-7; 26:7-12.

It was published in the newspaper “El Nacional” of Caracas, Venezuela, on May 22, 1993.

Be faithful
to the Lord your God
“today”

*Río Chico, Venezuela
January 1, 1995*

Strive to renounce all egoism
and be faithful to the Lord your God
“today.”

On this day
be free,
clear your mind,
be happy,
smile, love and forget all sorrow.

Remember that life offers you
a new opportunity each day:
Live it!

My children,
do not be afraid

Bolivar State, Venezuela
April 5, 1995

My children, do not be afraid,
because the place is already prepared.

Those of you
who have really responded
with your life
to the “call”
belong to the remnant that must enter now.

A multitude that no one is able to count
is waiting for you.

You will be happy,
so happy that you cannot now believe it.

There will be no memories of the past
nor worries about the future;
it is an eternal present,
where Love, Justice and Truth
are reigning.

In my Acting, nothing is fixed

San Diego de los Altos, Venezuela

December 31, 1995

The human being, in himself, is not perfect; his perfection consists in achieving a balance between the direct influence of my Active Force and Its action through the circumstances that I myself present. Hence the importance of his being attentive, not only to my Presence but also to my Assistance in every circumstance of daily life. I Am who AM. The human being, in himself, “is” not, but he grows in “being” the more he inserts himself in my Being, by means of the circumstances that I myself present to him through life, which is the way of approach between my Being and the “non-being.”

You are the one who will understand the essence, the profound meaning of what you perceive in my Acting, and, with your words, you will make it accessible to those who cannot understand it now; you will certainly understand, because you have begun to live in my Presence and Assistance. I Am, and you, as you grow in “being,” will transmit to my others and your others what you grasp through my direct influence; in this way I will be ALL in you and in everyone, to the extent that each one identifies himself, *in his life*, with my active Presence in him, which is my Assistance.

Egoism is the great impediment, because when the human

being gets detained in himself, as a “self,” he intercepts the dynamism of the liberty, which of its essence is oriented to its Being and not to the “self.” To be free is to flow with life in accordance with the circumstances that, in justice, make room for my Assistance, within this process of becoming that has been provoked by the free creatures who, affirming themselves in themselves, have opposed my direct influence; this is why the human being tends to fix everything. In my Acting, nothing is fixed; everything happens in a constant, unrepeatable dynamism; even though some circumstances are apparently the same, they are always different from one another.

The liberty, the human being’s faculty to choose his “being” and “acting,” is the flow of Life itself, which IS Myself; when the human being gets stuck in himself, he ceases to “be” and to “act”; there appears the self, which “*is*” *not*; this is death, because the flow of life has been interrupted.

Work, work, work!

San Diego de los Altos, Venezuela

May 1, 1997, 2:00 a.m.

My children,
work, work, work!
Work with enthusiasm.

Do your utmost,
keep striving,
and when you have no more to give,
when you feel your helplessness
and realize that you can do nothing,
I will be the one to do all in you,
and I will, through you, manifest Myself.

This is what I am awaiting,
for the sake of my total Manifestation
in everything, in all and to all.

Forgive your brothers
and pray for them

*San Diego de los Altos, Venezuela
February 2, 1998*

Therefore, forgive your brothers
and pray for them;
they are sinners
as you, too, are sinners.

Reject and denounce, indeed,
before God and before men
the only responsible one:
the egocentric spirit, spirit of iniquity,
who presents himself
as a rapacious wolf in sheep's clothing,
shielded
in the "Ecclesiastical" INSTITUTION,
passing himself off
as the CHURCH of Christ, the Bride,
in order to take possession of your souls.

Only God knows
who are the persons responsible
for having surrendered themselves
to this spirit of iniquity,
consciously accepting in themselves
his attributes.

Leave the judgment to God,
the only Judge of souls.¹

Those of you
who are in syntony with my Grace
will be “taken away”

*San Diego de los Altos, Venezuela
January 1, 2000, 0:15 a.m.*

For you
this year will come to an end
when the time of my Grace ends;
you will then no longer be in this world
because you form part of my Grace,
and when She will be withdrawn
from this world,
you too will go with Her,
because those of you who are in syntony
with my Grace,
with my Spirit,
in every part of the Universe,
will be “taken away”
and will form part of a new life,
not of a new year;
you will form part
of the Kingdom of my Father,
which is Eternal.
Now you will live in this time of waiting,

for the sake of other people,
who, though belonging to my Kingdom,
are still missing
and must be rescued.

Live in silence,
in self-interiorization,
in a constant self-surrender
for those who are missing.

Abide in unity with my Spirit,
who will assist you at every moment.

Trust, trust, trust!
I have overcome the world,
and you, with my Grace,
will also overcome it.
